PLANT & GARDEN FAIR 2012

Sunday 3rd & Monday 4th June 2012
10 am to 4:30 pm

Dear Plant Grower & Exhibitor,

Work started in January 2012 on the transformation of the walled garden at Upton Country Park.

The Walled Garden will be transformed into a space that can be used all year round with new pathways, benches and Purbeck stone entrances. Improved access from the tearooms to the garden via new doors and a patio area will ensure visitors can relax in the garden with their refreshments while overlooking new and existing floral beds. Another new development will be an automated water feature that can be shut down as necessary to create a dry, level area for marquees and events. The existing turreted rooms at the bottom of the gardens will be changed from storage to seating areas and refurbished throughout.

The Borough of Poole is unable to lay the new turf in the Walled Garden due to the wet weather. We cannot guarantee that we will be able to drive the vehicles over the grass in the Walled Garden over the Bank Holiday weekend.

For this year only, we are moving the Plant & Garden Fair to the grass area by the Plant Centre.

We are not able to secure the site for the two days; Stall Holders will have to remove their stock etc. at the end of the event on the Sunday and setup again on the Monday.

This year we will not be asking for an Admission fee, but we will have our donation Boxes out.

Stall Holders will be able to come for one or both days. Stall Holders that have booked and wish to change their requirements, please let me know. We are sorry for any inconvenience.

We will move back to the Walled Garden in 2013 on Sunday 26th & Monday 27th May 2013.

If you require any other information, please let me know.

Yours sincerely,

Mike Yeomans
